

Dear Rashi,

u and i both know the things haven't been soo good lately, all the problems that occurred, exams ka stress, aur na jane kya kya, but I am soo grateful to god for just one thing that is u, u just didn't leave my side even after the very bold step i took not informing what i was doing but also provided me moral support and that was special really really speacial . This semester I know I fumbled a lot mtlb bohot hi saare and things were not so good lately with me and u know everything about it but there was only one thing I wanted to do the most that is to see you happy. This sem i saw you being internally happy somehow, even after soo many things did happen to disturb but you managed to get through all of them, this is a very rare trait, Rashi. I may seem like a person who just forgets about you after going home, but this isn't true at all, almost all the time u are in my talks, the first thing i ever do after waking up is to pick up the phone and see whether or not u messaged, trust me i try everything to make my self available to you all the time but this does not mean at all that i don't care about you.

You are one of the most important things that ever happened to me and you you also know that i do everything pussible to correct my mistakes or get the appropriate punishment or even sacrifice my respect because i know how much of worth you are. U know when ever there is a fight between us or something very serious happens mei hamesha ring ko apne dil ke pass rekh leta hu, bohot sukuoon milta h aur motivation bhi ki mei bass rota na rahu kuch krne ki himmat kuch sahi krne ki himmat karu, mujhe pta h ki ye kaafi gjeeb lagega tumko par ye ring sirf ring hi nhi mera comfort zone h. Even jis din tumne mujhe ye di thi us din se yhi kr rha hu. Mujhe pta h ki mei itna bada gadha hu ki mujhe khud se nhi dimg mei aya ki tumhare liye kuch bna du tumhari journey ke liye par shi mei jab mene tumko bna ke diya aur jab mei bna bhi rha tha n shyd pure sem mei mei isse zada kush nhi tha, mujhe tumhare liye khana bna bohot passnd hai, aur age jaake mei hamesha banaunga bhi promise pure man aur excitement se. Rashi mei tumhare har ek gusse har ek problems mei sath kdha rahunga i promise aur mei ye bhi chahta hu ki tum bhi mere sath raho hamesha hamesha ke liye. I am very sorry rashi aur mei ek baar phirse maafi mangta hu jo mene 1st year anniversay pr kiya tha please mujhe maaf krdo aese kabhi bhi nhi hoga aage se. Pehcle kuch letters mei mene tumhare liye kuch songs likhe the...aur vo mene isliye nhi likhe the kyuki mujhe kuch aa nhi rha tha par issliye kyuki mei vo bohot jada feel krta hu tumhare liye aur shi manino mei mujhe apni feelings ko usse better words nhi mile. Iss bar bhi mei kuch feel krta hu rashi aur vo mei aese btana chahta hu:

गालों के गड्ढों में तेरे
ना जाने क्यूँ मैं लड़खड़ा के गिर गया हूँ
मुस्कराओ
और ऐसे हँसो मेरी बातों पे
गिरता रहूँ तेरी राहों में
और इनमें ही खो जाऊँगा

sach to yahi h rashi ki mei tumhare bina akela nhi reh paunga, ab tum bologi ki mei abhi bhi toh hu hi aur y do u care par aesa nhi h rashi, jese mei dekh rha hu bohot hi mushkil hone wala h mereliye 4th year ke baad akela rehna, Abb hamre pass waqt bohot kam bacha h rashi litteraly sirf 2 aur sem properly sath me.....naa jane ye samay kese nikl gaya, par mei ye samay tumhare sath bohot achese se guzarna chahta hu hum bohot achese se

khushi khsushi rahenge aur padhai aur maze dono karenge, mei puri mehnat krne ko tayyiyar hu, tumhare liye kuch bhi rashi.....

yours truly

kikki 😊
